The original location at the Norfolk Showground has ended as the Gala Day is no longer being run. We have secured a location at the Old Buckenham Airfield as part of their flying in day when the airfield will be open to light aircraft.

As this is a new venue we would ask you to note that this is a test for future rallies. The site has a café and bar

We also hope to run some free bus services to and from Attleborough. If you wish to take part in a service please advise us.
